1. The following is an examiner's statement of reasons for allowance: All the claims are allowable over the Prior art of record because prior art fail to teach or fairly suggest a method for determining a path to a senior border node by identifying one of the plurality of interfaces that has received an identification packet not having a data transmission rate associated therewith, and designating the one interface as the path to the senior node, and canceling the designation of any other of the plurality of interfaces designated as the path to the senior node.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Min Jung whose telephone number is 571-272-3127.
